July 2005 NEWSLETTER

Our next meeting will be held on Sunday July 10, 2005 at the Trump Marina Casino in Atlantic City, NJ. This will be our first meeting at the Trump Marina Casino. We switched to the Trump Marina since they were able to provide us with definite meeting dates for the rest of 2005. There will be a sign at the top of the escalator from the parking garage that will have the meeting room location, so look for it when you come up to the Casino level. The swap session will begin at 11:00 a.m. All members are asked not to enter the designated meeting room until 11:00 a.m. The Club Meeting will begin at approximately 1:00 p.m.

All items that are put up for sale in the Club Auction will have a minimum bid price that will be set by the items consignor. We hope that members will bring some better items to be auctioned off.

At this point we are still trying to get a Guest Speaker lined up for the meeting. We will have a showcase available for anyone who would like to display some special items from their collection as part of our "Show and Tell" portion of the meeting.
