## ADDITIONAL ATLANTIC CITY NEWS

- Sands Casino closed on November 11, 2006. A new and much larger Casino will be built on the site of the old Sands. The new Casino will not be open until 2010 or 2111.
- Archie Black turned over his A C new issue chip service to Ricky Pushkin in December 2006. I would like to thank Archie for "always being there when the chips are down.". Not only was Archie the founder of the CC&GTCC but he made sure everyone got their A C new issue chips for many, many years. I also would like to wish Ricky success with his new venture.
- Harrahs was purchased by a group of investors and they may sell off some of their Casinos. One of the Casinos that is rumored for sale is the Showboat in Atlantic City. Only time will tell how the Harrahs sale will affect various Casinos across the country.

2006 is history and we now look forward to many exciting activities for the A C Club in 2007. I would like to encourage all members to come to our meetings and share in the fun and fellowship that is what the Chip Collecting Hobby is all about. I would also encourage Club members to step forward and help out with various Club projects. The more you get involved the stronger the Club will be in the future.

I wish everyone a very Happy and prosperous New Year.

Take care,

Jerry Birl

President
