November 2007 NEWSLETTER

Our next meeting is Sunday, November 4, 2007 at the Trump Marina Hotel & Casino in Atlantic City. There will be a sign, at the top of the escalator from the parking garage, with the meeting room location. Everyone may enter the room after Club Officers have setup for the meeting or no later than 11:00 AM. We will have reports by Club Officers, club auction, 50/50-drawing and trade session. We will discuss a survey and ideas to increase attendance at meetings. The 2008 meeting dates will also be announced. There is no guest speaker scheduled for this meeting.

Highlights from the last meeting

At the last meeting there was a tribute to the founder of the Atlantic City Club, Bob Mera. Members that knew Bob shared memories of his store and the early days of the club. There was also discussion of ideas to increase attendance at meetings. One suggestion was to hold meetings every 3 months instead of every 2 months, as we do now. There were 8 guest who signed in from Brick NJ, Douglassville PA, Allentown PA and New York City NY.

New Releases

It was learned at the September meeting that Trump Marina released a new room key card. No new casino chips or slot cards have been issued, however, St. Nicholas of Tolentine Church in Atlantic City issued the 3rd in their series of fund raising chips. I was told there were only 200 made. Sadly, I have no knowledge of any pending releases.

Last Minute Reminders

Thanks once again to our Secretary, Linda Weisenstein for her ongoing efforts to increase awareness of our club! Because of her press releases, I'm receiving an average of a phone call per week!

I now have a list of possible guest speakers for future meetings. I will attempt to arrange a guest speaker for every other meeting; of course this depends on their schedule and willingness to appear. If anyone knows someone they think would be an interesting speaker, please let us know. Furthermore, if anyone has an idea to recruit new members, improve attendance at meetings or increase traffic on our website speak up!

Best regards,

John Chopek
