Single Casino Usage

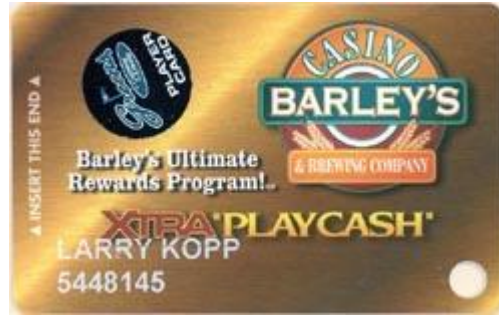

<p>Minnesota - Grand Casino Mille Lacs.</p> <p>Not in Wells/Lamb guide – no manufacturer.</p> <p>In use when they were in the process of switching out card readers and had some of both types. The card readers had similar dots/triangles on them while they were in the process of switching out the cards and the players were to use the card that matched the symbol on the reader.</p> <p>So we have the following – old key punch card, old key punch card with blue dot installed by casino or player (shown), new card with magnetic stripe and new card with red triangle installed by casino or player.</p> <p>Contributor: John Kallman</p>	 <p>Picture of new card not available, see attachment to transmitting email for brochure scan which shows the cards – these are old cards.</p>
