News & Notes: Things that could bring new or changed TITO's.

- 1. Many casinos are changing owners in the next few months so we should see a large number of new TITO's.

If you have TITO's whose backs were not in the TITO catalog or the 4 newsletters to date please let me know and send me a scan or copy so I can add them to the next newsletter.

Special Note: A TITO collectors meeting and trade session has been scheduled for the CC & GTCC convention in Aug. 2005. The planned time is mid-day on Fri.
