**News & Notes:** Things that could bring new or changed TITO's, & TITO News.

1. Hooters Casino in LV, NV is being sold and most likely will be re-branded as an upscale property, the same investor group is also planning a Hooters Casino in West Wendover, NV. The money for LV deal may be in question which may delay the deal.
2. Fort Cheyenne Casino in North Las Vegas will be renamed The Mystic and expanded and refurbished. TITO's?
3. In the FL Miami-Dade area slots are expected after voter approval in Jan 08 elections at Flagler Dog Track, Miami Jai-Alai and Calder Race Course. Construction is expected to take 18 mo. to 2 years with 1500-2000 slots per location.
- 4 A new casino is under construction in Natchez, MS, Grand Soleil Casino, expect a 2009 opening.
5. Tri State Gaming in WV also is called Mardi Gras, do TITO with that name exist?
6. Twin Pines Casino in CA is reported to now have TITO's.
7. The Ho Chunk Tribe is developing a small 600 slot casino north of Whittenberg, WI, slots only, it should have TITO's when it opens in the fall of 2008.
8. Harrah's Entertainment is changing its name to Caesars Entertainment Corp. Expect to see revised TITO's with the new Corp. name. it will still use the Harrah's name on casinos.
9. Henderson Executive Airport, Henderson, NV may get slots, expect TITO's.
10. "Guaranteed Play" a patented table game and slot play system now has its own form of TITO's. You buy a TITO that gives you a fixed number of slot plays for a fixed

price win or lose. It is unlikely we will see many of these Guaranteed Play TITO's as they are taken in by the slot machine. I expect the only ones collectors might see are any sent out as promos and then do not get used when the patron does not visit the casino.

11. A press report indicated that some Class II slots are installed in Alaska, at present no Alaska TITO's are cataloged, who will find the first ?

Special Note: In Jan. 2008 I started on Ver. 2 of the TITO catalog, most likely it will come out on CDROM, I hope to publish it later in 2008 or early 2009. I expect it will cover about 2000 different TITO's.

I had a fall in the parking lot of my residence in early Sept. and had to operate left handed for about six weeks which limited my computer work and set the Ver. 2 project back about 2 months.

Most likely Newsletter #19 or #20 will be the last of these TITO Newsletters.

During the CC&GTCC 2009 Convention in June 2009 at the South Point Casino in Las Vegas TITO collectors will have a meeting and trade session Fri. June 26 from 1 to 3 PM. we hope to see a lot of TITO collectors at the meeting.
