Notes Pages:

News & Notes: Things that could bring new or changed TITO's, & TITO News.

1. The Oasis Casino in Mesquite, NV closed Dec. 5 due to the economy; they still have a few slots in Hotel lobby to retain licence. This may cause the TITO design use in all three of Mr. Black's three casinos, Oasis, Casa Blanca, Virgin River to change.
2. Treasure Island Casino, LV, NV has been sold to the former owner of the New Frontier. Expect new TITOs in early 2009.
3. The Cherokee Casino Tulsa, OK was to be re-branded as a Hard Rock Casino in 12/08, expect new TITOs.
4. Coyote Valley Shooaki Casino in CA has been renamed Coyote Valley Casino, expect changed TITOs
5. Silver Club in Sparks, NV closed 1/10/09, it had Holder Group TITOs, now OBS, hope you have one in your collection.
6. Quechan Casino Resort west of Yuma AZ in CA will open 2/13 replacing the CA Paradise Casino in interhaven CA/Ft Yuma. Expect new TITOs.
7. Baldini's in Sparks, NV has been sold, new TITOs are possible.
8. In Iowa the 17 non tribal casinos have of late been issuing a series of 4 TITOs per casino noting the things gaming revenue has given to the state. This is similar to the sets that have been issued in MO. These may be short lived so get them before they vanish. To date I have seen examples from 8 of the 17 casinos.

Special Note: In Jan. 2008 I started on Ver 2 of the TITO catalog, most likely it will come out on CDROM, I hope to publish it in mid 2009. I expect it will cover about 2000 different TITOs.

Most likely Newsletter #20 will be the last of these TITO Newsletters.

During the CC>CC 2009 Convention in June 2009 at the South Point casino in Las Vegas TITO collectors will have a meeting and trade session Fri. June 26 from 1 to 3 PM, we hope to see a lot of TITO collectors at the meeting.
